

Kod szkolenia: **ALM920**

Tytuł szkolenia: **Application Lifecycle Management 11.5 Delta**

Dni: 2

Opis:

This course is for those who have completed the Application Lifecycle Management 11 Essentials course and require knowledge of the new features in the ALM 11.5 release. Students learn how to implement cross-project customizations and reports, and share assets, libraries, and defects. In addition, the Project Planning and Tracking (PPT) platform is discussed. The hands-on labs use version 11.5 of the software.

Software Version 11.5
