

Kod szkolenia: **XSD350**

Tytuł szkolenia: **Executive Scorecard 9.x Administration**

Dni: 2

## Opis:

This two-day course demonstrates the process for using the Executive Scorecard v9.30. This course is 50% lecture and 50% hands-on labs.

This course is designed for administrators responsible for providing, maintaining, and troubleshooting the Executive Scorecard application as a strategy enabler for their management.

The course focuses on learning product terminology and tasks required to use, create, troubleshoot, and enable executives of an organization to continuously improve their business by measuring what happened and what is happening, analyzing that information, and planning new strategies using the gathered information.

The hands-on labs use version 9.30 of the software.

Software Version 9.30
